# **Free Images**

The following list of websites contain images that are free to use. It was built upon the original resource from TRU's <u>Intellectual Property Office</u> (IPO). However, please note that the terms of use for each website may change over time, so it is important to verify the images are still free prior to use.

Contact the IPO if you have questions about the terms of use for an image you want to use in your course: <a href="mailto:copyright@tru.ca">copyright@tru.ca</a>
